OWNER AFFIDAVIT

I agree to permit the Building Inspector and any officer or employee of the Village of Oyster Bay Cove to enter upon the premises in the discharge of their duties under this application for permit.

1. A copy of the approved plans and permit will remain on the premises at all times until a Certificate of Occupancy and/or Completion is issued. These plans will be made available to the Building Inspector.
2. The Building Inspector shall be given a minimum of 48 hours' notice to conduct all required inspections and no work will continue until such inspections have been conducted and approved.
3. Owner or their designated representative will take responsibility to arrange all required inspections. It is not the Village's responsibility to arrange for inspections.
4. Permits expire in one (1) year from the date of issuance with the ability to extend one (1) additional year. If the construction is still in progress upon the year anniversary, it is the Owner's responsibility to contact the Village and extend the permit prior to expiration. No work is to be started until the permit has been issued and posted at the location of permit activity.

- _____ 5. Comprehensive Photographs of all sides of the structure receiving the alterations including landscaping and all other structures on the property.
- _____ 6. Photographs of the principal dwellings/structures on the abutting neighboring properties and any other structures on Historic Road that has visual compatibility.

Planning Board reserves the right to request additional information and/or waive an application for its minor applicability to the "Scenic & Historic By-Ways" intent.

35.05. Considerations included in Site Plan review.

- A. In reviewing any application for site plan approval, the Planning Board shall be guided, as appropriate, by the following general and specific considerations:
 - (1) The location, arrangement, size, design and general site compatibility of buildings and structures, including any potential future auxiliary structures and uses.
 - (2) The adequacy and arrangement of vehicular access and circulation. All driveways to a public or private street shall be so located to afford safe access to said roadway and to provide for safe and convenient ingress and egress and to minimize conflict with the flow of traffic and other driveways, and shall be designed to permit emergency vehicles and service vehicles, such as delivery trucks, solid waste collection vehicles and the like to have reasonable access to and space for their intended functions without causing damage or otherwise impacting on the subject property or any neighboring property.
 - (3) The adequacy and arrangement of off-street parking, loading and outdoor storage.

- (4) The adequacy and arrangement of pedestrian traffic access and circulation.
 - (5) The adequacy of stormwater and drainage facilities. Provision shall be made for the drainage of surface runoff waters in and from the premises so that flooding and erosion of the property and the property of others will be prevented.
 - (6) The adequacy of water supply and sewage disposal facilities.
 - (7) The adequacy, type and arrangement of trees, shrubs and other landscaping and natural screening constituting a visual and/or noise buffer between the applicant's and adjoining lands, including the maximum feasible retention of existing vegetation.
 - (8) The adequacy of fire lanes and other emergency zones and the provision of fire hydrants.
 - (9) Protection of adjacent or neighboring properties against noise, light, glare, unsightliness, disturbances, and nuisances.
 - (10) The overall impact of the proposed development on the neighborhood and surrounding uses, including compatibility of architectural and design considerations.
 - (11) Any slopes in excess of fifteen (15.0%) percent.
- B. The Planning Board shall not approve a site plan application unless it affirmatively finds that the building or structure, if constructed, erected, reconstructed, or altered in accordance with the submitted plan, will not:
- (1) Be visually offensive or inappropriate by reason of poor quality of exterior design, monotonous similarity or striking visual discord in relation to the site or surroundings, including those of neighboring structures;
 - (2) Mar the appearance of the area;
 - (3) Impair the use, enjoyment and desirability of neighboring properties, and reduce the value of properties in the area;
 - (4) Be detrimental to the character of the neighborhood;
 - (5) Prevent the most appropriate development and utilization of the site or of adjacent land; and
 - (6) Adversely affect the functioning, economic stability, prosperity, health, safety, comfort, and general welfare of the entire community.

35.06. Public hearing. Unless the Planning Board determines that it cannot approve an application as submitted with any reasonable modifications, the Planning Board shall conduct a public hearing with regard to every application for site plan review within 90 days after the date the application is found to be complete by the Planning Board.

If the Planning Board determines that it cannot approve an application as submitted with any reasonable modifications, then it can disapprove the application without a public hearing.

35.07. Notice of public hearing.

The applicant shall mail notice of the public hearing in a form provided by the Village Attorney. The notice shall be mailed first class and addressed to all owners of properties located in whole or in part within 1,000 feet of the subject premises and, if the subject premises is adjacent to a private road, to the owners of all other properties adjacent to the private road. The completion of this mailing requirement shall be attested to by the applicant, applicant's attorney or other professional. Initial mailing shall take place at least **(20) twenty days** prior to such hearing. All subsequent notices shall be at least **(10) ten days** prior to such hearing. The Village Clerk shall cause notice of the public hearing to be published in the official newspaper of the Village at least **(10) ten days** prior to such hearing and to be posted in any location where required by law. The applicant shall file proof of mailing at least **(3) three business days** prior to the commencement of the public hearing.

I have read and understand all the above and am hereby submitting all required documentation and fees to process this application.
